THE SHADOW AWNING RANGE

SIMPLE SETUP
Opens in under 30 seconds for instant shade and shelter.

SECURE
Reinforced arms with built-in legs and guy ropes for added stability.

TECH INNOVATION
A premium, mould- and water-resistant fabric with reflective silver coating withstands sun, rain and mildew.

LIGHTWEIGHT
Boxed-tube aluminium frame adds strength without the extra weight.

VERSATILE
Three variants available – 270 Shadow Awning, 2M 270 Shadow Awning & 180 Shadow Awning – all with LHS and RHS mounting options.
